Phenolic Panel Mount Series 11mm (.468 in.)

Kit # HD20

BlockMaster Electronics' Engineer's Design Kits offer engineers a versatile and affordable way to work with our terminal blocks.

With eight different block families available, our kits let you design BlockMaster blocks into any project or application.

Since 1994, BlockMaster Electronics has been committed to offering a variety of high-quality terminal block and barrier strip solutions.

Our blocks, manufactured internationally and domestically, are designed to surpass agency approvals from around the world.

Other Available Kits:
