

# THIS IS GONNA BLOW

NMB offers a comprehensive line of more than 150 cooling fans, blowers and motorized impellers, featuring airflow ranges from 4 ~ 1,304 CFM.

NMB-MAT

These AC and DC axial fans, blowers and motorized impellers range in size from 40mm ~ 280mm, and now include a new weather resistant series. Many custom options are also available.

From engineering centers and cooling fan design, to a proven vertical manufacturing process and state of the art machining capabilities, and with over 100 million fans manufactured annually, NMB's commitment to providing total thermal management solutions will simply blow you away!

- **Calibration:** Large selection of pre-calibrated test equipment in stock and re-calibration, all performed quickly in our state-of-the-art metrology labs. [newark.com/calibrate](http://newark.com/calibrate)
- **Custom Panel Meters:** Standard, modification or complete customization of analog and digital panel meters. [newark.com/panelmeters](http://newark.com/panelmeters)
- **Same-Day Cut-Tape Re-Reeling:** For semiconductors and passives, we automatically re-reel orders for product on cut tape that is ordered 18" or longer, according to EIA-approved standards. [newark.com/reels](http://newark.com/reels)
- **Customized Kits:** We can create custom kits using your BOM to build, kit, label and ship to you.
- **Printed Circuit Kits:** We can build from your complete BOM, and even include the fabricated board.
- **Technical Support:** Speak with engineering experts directly via Live Chat 24/5 or by phone at 1.877.736.4835.
- **Weekend Emergency Services:** If an emergency arises on a Saturday or Sunday, we offer emergency shipping and weekend courier services on stocked products. (A service fee may be applicable for these shipments.)
- **Global Legislation and Compliance:** Information on RoHS compliance, and all major global legislation. [element14.com/legislation](http://element14.com/legislation)
- **Scheduled Orders:** Products procured, scheduled and ready to ship for future release dates.
- **Dedicated Inventory:** We'll set aside reserved inventory for your JIT or KANBAN programs, based on your annual blanket order.
- **Stockroom Equipment:** Our team can evaluate, supply and organize your stockroom, install shelving, cabinets, bins and more.
- **Request a Quote:** Challenge our quoting specialists to provide pricing discounts on large volume orders or non-normally-stocked products.
- **Vendor-managed Inventory:** Preparation and implementation of custom stockroom solutions.
- **Total Procurement Cost Analysis:** We'll analyze your electronics purchases to help you lower your total cost of procurement, with quarterly reports of your savings.
