

Heatsink Extruded

Compact, high power dissipation, vertical mounting extruded heatsinks with solderable fixing pins. Designed to accommodate a single TO218/TO220/TO247 package via clip, available separately, or with mounting hole. Choice of thermal resistance.

Product Features:

- High power extruded design
- PCB mounting pins
- Screw or clip fitting

Mfg Part No:	Thermal Resistance:	Height	Device Mtg:
MC33272	7.2°C/W	38mm	Clip 2
MC33273	7.2°C/W	38mm	Hole
MC33274	5.9°C/W	50mm	Clip 2
MC33275	5.9°C/W	50mm	Hole
