

**GET TO KNOW
YOUR OWN POWER**

With Tools this Smart, it's Surprisingly Easy

**Get a FREE TIC 300 PRO
When you buy the Amprobe
AT-7030 or AT-3500****November 1, 2016 and January 31, 2017**Buy an Amprobe AT-7030 Advanced Wire Tracer or Amprobe AT-3500 Underground Cable Locator and receive an Amprobe TIC 300 PRO High Voltage Detector with each purchase **valued at \$259.95****AT-7030
Advanced Wire Tracer**

Wires, fuses and breakers cannot hide when you use an AT-7030 Advanced Wire Tracer.

- The patented Smart Sensor instantly displays the location and orientation of energized wires in walls, floors, and ceilings
- The precision Tip Sensor can be used to trace wires in corners, tight spaces, and junction boxes
- The dedicated Breaker Finder locates individual breakers and fuses
- The large 3.5" TFT LCD Color Display and on-screen setup guides make the AT-7030 user friendly

**AT-3500
Underground Cable Locator**

The AT-3500 Underground Cable Locator is the rugged, economical solution for locating underground cable, wires and pipes.

- Locates underground energized and de-energized wires, cables and pipes
- Three testing modes for best accuracy: Passive Power (50/60 Hz), Passive Radio (RF), and Active
- Active mode depth measurement up to 16' (4.9m)
- Semi-automatic gain control – fast signal location and control
- The backlit, multiple-segment, bar graph, digital display, plus audible indicators easily locate cables and wires

**TIC 300 PRO
High Voltage Detector**

MSHA certified and intrinsically safe, the Amprobe TIC 300 PRO High Voltage Detector is a rugged, reliable, non-contact, high voltage tester for utility, industrial, and mine safety applications up to 122kV.

- Verifies presence of voltage from 30 VAC to 122,000 VAC (122kV) without contacting the conductor
- VolTect™ alert warns that voltage is present with bright flashing lights and loud beeps
- Simple two level electricity tester provides:
 - High voltage setting to check transmission lines, power distribution equipment, down power lines, fuses, and load break connectors
 - Lower voltage setting to check for voltage in breaker panels, breakers, power outlets, and wiring

Here's how to redeem:

Offer terms and conditions: Sponsored by Fluke Electronics Corporation, 6920 Seaway Boulevard, Everett WA 98203 and Fluke Corporation Canada, 400 Britannia Road East, Unit 1, Mississauga, ON L4Z 1X9 Canada. Gift with purchase (the "Amprobe Power Promotion") is available for a "Qualifying Amprobe Purchase" (Amprobe AT-7030 or Amprobe AT-3500) made from an authorized Amprobe distributor in the United States or Canada between November 1, 2016 and January 31, 2016. This offer may not be combined with any current or future Fluke Corporation offers. Offer is open to legal U.S. and Canadian residents and/or businesses currently residing or physically located in Canada, the United States and the District of Columbia. Void in Puerto Rico, all other U.S. territories and possessions and overseas military installations and where prohibited or otherwise restricted by law, rule or regulation. All federal, state and local laws and regulations apply. Employees, directors and officers of Fluke Electronics Corporation in the United States and Fluke Canada in Canada (together, the "Sponsor"), its parent companies, affiliated companies, subsidiaries, distributors, representatives, and those persons' immediate families (parents, siblings, children and spouse) and persons living in the same household (whether related or not) are not eligible to participate in the Promotion. Employees, directors and officers of competing tool manufacturers are also ineligible to participate in the Promotion. A receipt may only be submitted once; receipts submitted more than once are considered invalid. For a list of authorized distributors visit <http://www.amprobe.com/Amprobe/user/WhereToBuy>. Redemption requests postmarked after 30 days of purchase will be invalid and will not be returned. Redemption forms must be filled out accurately to qualify. Please allow 6 to 8 weeks after Sponsor's receipt of a complete redemption form to receive your gift with purchase. This offer is not transferable or assignable. View complete Official Terms and Conditions at www.Amprobe.com.
